### Reviews

*Definitely one of the better publication I have got possibly read. It really is written in basic phrases and not difficult to understand. You won't sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).*

CHAPTER III THE TRAIL OF THE UNKNOWN Odonovans shouts attracted the cabman beyond the iron railings, and very quickly a couple of policemen appeared upon the scene. For a few minutes there was a scene of wild excitement within the quiet little garden; then, after a cursory examination, a stretcher was brought from the Morgue over the way, the body of the unknown girl placed upon it and conveyed away to the House of the Dead, while Teddy was arrested and escorted to the police office attached to the mortuary, where, after some little delay, he was searched and closely questioned. The blood upon his hands was regarded with considerable suspicion by the police commissary, or the quart dceil as he is known to the students, but owing to the fortunate circumstances of a workman having seen him enter the garden, and a cabman swearing that he had heard the report like that of a revolver fully a quarter of an hour before, he experienced little difficulty in establishing his innocence of the crime. News rapidly spreading that the body of a murdered woman had been brought there, and that the assassin had been caught, quickly caused a great crowd to assemble around the Morgue, awaiting the exposure of the corpse, and eager to catch a glimpse of the murderer when he came forth in custody. Meanwhile, however, the body of (was discovered upon her which would lead to her identity. She wore no...
