Createspace, United States, 2014. Paperback. Book Condition: New. Murat Ukray (illustrator). 234 x 156 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Republic (Greek: Politeia) is a Socratic dialogue, written by Plato around 380 BC, concerning the definition of (justice), the order and character of the just city-state and the just man, reason by which ancient readers used the name On Justice as an alternative title (not to be confused with the spurious dialogue also titled On Justice). The dramatic date of the dialogue has been much debated and though it must take place some time during the Peloponnesian War, there would be jarring anachronisms if any of the candidate specific dates between 432 and 404 were assigned. It is Plato's best-known work and has proven to be one of the most intellectually and historically influential works of philosophy and political theory. In it, Socrates along with various Athenians and foreigners discuss the meaning of justice and examine whether or not the just man is happier than the unjust man by considering a series of different cities coming into existence in speech, culminating in a city (Kallipolis) ruled by philosopher-kings; and by examining the nature of existing regimes. The participants also discuss the theory of forms, the immortality of the soul, and the roles of the philosopher and of poetry in society. Short Summary (Epilogue): X.1-X.8. 595a-608b. Rejection of Mimetic Art X.9-X.11. 608c-612a. Immortality of the Soul X.12. 612a-613e. Rewards of Justice in Life X.13-X.16. 613e-621d. Judgment of the Dead The paradigm of the city - the idea of the Good, the Agathon - has manifold historical embodiments, undertaken by those who have seen the Agathon, and are ordered via the vision. The centre piece of the Republic, Part II, nos. 2-3, discusses the rule...
