Brand New Book ***** Print on Demand *****.What others are saying about Lilbet s Secret Diary I loved this book! It is so original and amusing I shall definitely read it again and again. I hope to read more of Pauline s work in the future What a delightful story! This story is told from 10 year old Lilbet s Point of View, and Ms. Christou does a fine job of capturing the voice of young Lilbet. I found myself imagining Lilbet at this age and thinking how overwhelmed she must have been, knowing she would eventually grow up to be Queen. I think I enjoyed the antics between Lilbet and Margaret the best. I looked up the word scandal in my dictionary last night. No wonder there has been such a fuss. There are secret diaries and princess diaries, now there s a secret princess diary; Lilbet s Secret Diary, December 1936 - 1937. It s the 11th December 1936, and 10 year old Elizabeth (Lilbet) hears some news that will change her and her family s life forever. She decides to keep a secret diary chronicling the life changing events. Will she fulfil her destiny, and also remember which the main course fork is and which the dessert fork is? Can Lilbet s younger sister Margaret end her mischievous ways, and become a worthy member of the League of Ovaltineys? Will Dookie the dog, stop biting visitors? Spend a year with Lilbet and will be revealed in Lilbet s Secret Diary, a fictional dairy of young Queen Elizabeth II. This double edition paperback version includes one if Lilbet s pictures at the end of each chapter.
