

Hug the Twerp: How to Date a Single Parent Without Going Crazy (Paperback)

By Nina York

Archangel Ink LLC, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Scared of dating single parents More and more attractive, desirable singles are carrying around some serious extra baggage in the form of children from a previous relationship. And it totally messes with the rules of dating as we know them. When you meet a potential partner who takes your breath away, and they mention the child they have waiting at home, does your heart sink? Do you walk away, with some small idea of what you might be missing but nowhere near enough nerve to deal with the complexity of the situation? What if it didn't have to be as complicated as you think? Make the investment, reap the reward There's no sugar-coating the fact that dating a single parent is a serious challenge. And yes, the rules are different, but here's the thing: rules can be learned. Just like anything else in life, if you want something badly enough, you've got to work hard to get it. If you want an easy ride, walk away. If you want to experience something...
