Date :2007-3-1. Synchronous high school English Listening is English (new standard) series of publications supporting materials for the hearing of classroom teachers to guide students in extra-curricular teaching or training in the use of independent hearing. This material is based on the country 'English curriculum standards for high school English learning objectives and requirements put forward written. the general guiding principle is to enable students to practice listening through some training and a comprehensive system to improve their English listening skills. so as to enhance the practical use of language capacity. The theme of modular design using materials. follow the main teaching subject. each module generally consists of six listening tasks. This material has the following characteristics: First. according to the characteristics of different themes and content. the main points of the subject. specific information. attitudes. character relationships. reasoning and other aspects of the hearing to determine the specific skills training. Listening is more difficult to master foreign language skills of learners in the learning process. learners need a lot of repeated training to master. The teaching of listening skills training in different modules. the focus is different. the purpose is to enable a student listening skills through repeated training has been strengthened and enhanced. Second. focus on the systematic development of listening skills. Although the different modules of listening skills training focus is different. but the whole design of the materials are highly systematic. On the one hand to enable students to develop skills in listening can be trained at all levels. and each module has a multi-skilled training mission. focusing on the student's comprehensive ability to improve listening comprehension....
