BASIC TECHNICAL COMMUNICATION

PHI Learning, 2011. Softcover. Book Condition: New. First edition. The younger generation today aspires to work for multinational corporations, large organizations, or the civil services as these are more remunerative or invest them with more power. And, with the competition becoming stiffer each passing day, the ability to communicate effectively, precisely as well as acquiring communication skills has become an important determinant in getting jobs and subsequent growth and development. A plethora of books have flooded the market to capitalize...
