Pallamary Publishing. Paperback. Book Condition: New. Paperback. 188 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Gone are the days when a persons word or handshake was all that was needed to finalize a business deal. Its human nature to trust. We learn at an early age that our best friend is someone we can count on and confide in. We want to believe that people are inherently good and have our best interests at heart. But what happens when that friend asks for a loan to start a new business then leaves town with all your money, never to be heard from again? How about the businessman with a great reputation who makes a proposal, takes a down payment, and never shows up to do any work? Consider the strange emails filling inboxes with promises of infinite wealth and the chance to connect with long-lost relatives from foreign lands. These and many other scenarios are playing out across the United States and the world at an alarming rate. History is full of dishonest dealings. In the 1980s, investment schemes dominated the news, ruining lives with lies and deceit. In the 1880s things werent much different. Immeasurable harm and senseless deaths occurred when Native Americans were slaughtered and forced off land that was rightfully theirs, while fraudulent land scams were pushed on an unsuspecting public as pioneers moved westward in search of new lives. As Michael J. Pallamary states in his book *Lay of the Land: The History of Land Surveying in San Diego County, Within California*, government officials estimate that 20 million acres of land, nearly 20 percent of the states public land stock, are the products of fraudulent land surveys. Pallamary also describes how early residents stuck trees in the ground and hung artificial oranges on branches so that photos...
