

Home: A Time Traveller's Tales from Britain's Prehistory

Filesize: 5 MB

Reviews

Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.

(Bernardo Feeney Jr.)

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Home: A Time Traveller's Tales from Britain's Prehistory, Francis Pryor, In Home Francis Pryor, author of The Making of the British Landscape, archaeologist and broadcaster, takes us on his lifetime's quest: to discover the origins of family life in prehistoric Britain. Francis Pryor's search for the origins of our island story has been the quest of a lifetime. In Home, the Time Team expert explores the first nine thousand years of life in Britain, from the retreat of the glaciers to the Romans departure. Tracing the settlement of domestic communities, he shows how archaeology enables us to reconstruct the evolution of habits, traditions and customs. But this, too, is Francis Pryor's own story: of his passion for unearthing our past, from Yorkshire to the west country, Lincolnshire to Wales, digging in freezing winters, arid summers, mud and hurricanes, through frustrated journeys and euphoric discoveries. Evocative and intimate, Home shows how, in going about their daily existence, our prehistoric ancestors created the institution that remains at the heart of the way we live now: the family. "Under his gaze, the land starts to fill with tribes and clans wandering this way and that, leaving traces that can still be seen today. Pryor feels the land rather than simply knowing it. " (Guardian).
