Brand New Book ***** Print on Demand *****.When a Christian believer s praise turns into worship, a great power is unleashed. Praise, Worship, and Thanksgiving seeks to inspire you to become a worshipper in order to understand that power. Author Audrey Eccleston shows how praise and worship were used as a weapon by the children of Israel in the Old Testament, under the leadership of Jehoshaphat, Daniel, and Joshua. She further explains that whenever praise and worship were used in this manner in Bible times, the awesome presence of God always brought sure victory to God s people. Praise, Worship, and Thanksgiving illustrates the steps you can take to become a worshipper. While fully describing what praise and worship are to Christians, Eccleston also offers guidance on why, how, and when to praise and worship God. She provides powerful truths from the Scripture for use by those who have faith in God and observations on the differences among praise and worship; the theory and practice of praise; and the theory and practice of worship and thanksgiving. Praise, Worship, and Thanksgiving presents a vital manual on worshipping to provide a full-scale how to course in all of the essentials.
