Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In the past, you will only see nurses working in the hospital. But because the nursing field has diversified, those who choose to enter this profession may find work in other places as well. Some examples of these are private clinics, government health care centers, residential homes, labs, private firms and schools. One job you can get as a nurse is in pediatric home health care. Here, you are able to help parents prevent their children from getting sick by informing of them of potential threats as well as giving vaccinations. You also get to work with special children by helping them try to live a normal life even if there are hindrances. The elderly are sometimes forgotten. The sad thing about it is that some of them are no longer able to do things on their own which is why it the youth like the nurses who are still strong may make a career caring for them.
