

The Sower's Trust (Paperback)

Filesize: 1.33 MB

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Tate Publishing Company, United States, 2015. Paperback. Book Condition: New. 175 x 124 mm. Language: English . Brand New Book. Because there are certain things you just never want to go through in your lifetime, let alone write about them in an open book, I chose to do so because I want you to understand the depth of the pit I was in and how God's mercy and grace lifted me out of it. There are some things that when I stop and think about them I realize how hurtful, painful, and devastating they were to go through. This I would never wish on anyone, but this is exactly what I had to go through to survive. Then one day I decided I had enough of doing this on my own, so I took a knee and prayed and asked God with a wrench-filled heart to take over my life---and He did. This is about the journey I---and so many countless others---took post-2008, after the great demise of the real estate market crash of 2008. To this day, many are still reeling from the effects of this terrible historic time. Some were forced to walk down paths to places where they never thought they would find themselves, let alone survive there. Many people could not face what lay ahead of them and hundreds of thousands more lives were changed forever. The Sower's TRUST is about my spiritual growth and journey during these times, and although Satan's intent was to keep me silent, God used it all to help me grow His kingdom.
