Hal Leonard Corporation. Mixed media product. Book Condition: new. BRAND NEW, The Christopher Parkening Guitar Method, Vol. 2: The Art and Technique of the Classical Guitar, Christopher Parkening, David Brandon, (Guitar Method). An outstanding source for the technique and repertoire of the classical guitar, this book continues where Vol. 1 leaves off. It teaches: all notes in the upper position; tone production; advanced techniques such as tremolo, harmonics, vibrato, pizzicato and slurs; practice tips; stylistic interpretation; and more. The first half of the book deals primarily with technique, while the second half applies techniques to repertoire pieces. As a special bonus, this book includes 32 previously unpublished Parkening edition pieces by composers including Dowland, Bach, Scarlatti, Sor, Tarrega and others, plus three guitar duets. The CD includes 60 demonstration tracks.
