BRILLIANCE AUDIO, United States, 2010. CD-Audio. Book Condition: New. Library ed.. 160 x 160 mm. Language: English . Brand New. When his girlfriend, Crystal Beth, is gunned down at a gay rights rally in Central Park, Burke, the underground man-for-hire and expert hunter of predators, vows vengeance. But someone beats him to the task: a shadowy killer who calls himself Homo Erectus and who seems determined to wipe gay bashers from the face of the earth. As the killer s body count rises, most citizens are horrified, but a few see him as a hero, and they hire Burke to track him down . . . and help him escape. In Choice of Evil, Burke is forced to confront his most harrowing challenge: the mind of an obsessive serial killer. And soon the emotionally void method behind the killer s madness becomes terrifyingly familiar, reminding Burke of his childhood partner, Wesley, the ice-man assassin who never missed, even when the target was himself. Has Wesley come back from the dead? The whisper-stream says so. And the truth may just challenge Burke s very sense of reality. Choice of Evil is Vachss s darkest Burke yet, exploring man s propensity for savagery, ice-cold cunning and wearing thin the limits of sanity. The Clarion-Ledger There is no other living American author with prose as razor-clean as Andrew Vachss. . . . Vachss is a Zen warrior with a pen. Coast Weekly.
