

## The Essence of Child Development: Growth Essentials (Paperback)

By Eric K Donkor

Createspace, United States, 2013. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This book is for students, teachers, healthcare workers that come into contact with children on a daily basis, social workers, parents, and individuals who want to know more about children developmental processes and how biological, physical, socio-economic, emotional, genetics, environmental, cultural, traditional, and ill health affect the smooth growth and development of children in different geographical areas and backgrounds. The Author elaborated on relevant theories of child development by some renowned pioneers in the game and touched on how family impact on children in the journey of growth and subsequent development. There is some relative reiteration on effects of abuse and neglect as a worrying concern of child development. The National Service Framework has been explained to highlight the support the Government renders to its citizens in order to give them maximum and effectual support, protection and treatment of children in hospitals. It goes on to explain about the policies, guidelines, procedures and measures that has been put in place to build up that fence of protection for the growing infants. This is in effect brings us to...
