Page Publishing, Inc., United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. Playing All 50, Golf More is one man s quest to play golf in all fifty states, while telling of the many adventures he encountered along his journey. Most of the pictures in this book were taken by the author as he played the courses. Hopefully, you ll agree he captured the beauty of nature in the pictures and in the descriptions of his golf outings across America. His passion for the game can be described as: Golf is a game you can never win. You always think you could have done better, and you always believe you ll do better the next time out. The thrill of golf is that while playing, your worldly problems and worries are blocked. Your only concern is hitting that little white ball . In other words from the famous Bobby Jones: Golf is the closest game to the game we call life. You get bad breaks from good shots; you get good breaks from bad shots but you have to play the ball where it lies . So, play it where it lies, and have fun reading the book!.
