ISAF Vehicles Afghanistan: Kabul and Kandahar Area: 2007

By Dick Taylor

Mushroom Model Publications. Paperback. Book Condition: new. BRAND NEW, ISAF Vehicles Afghanistan: Kabul and Kandahar Area: 2007, Dick Taylor, This book is a fascinating and revealing look at the vehicles used by ISAF forces in Afghanistan. The author is a serving army officer who spent some time in the Kabul and Kandahar regions in 2007. His photos and detailed colors and markings notes form the basis of this new book, which will be invaluable to anyone interested in modern-day conflicts or modelers of modern military vehicles. The author is donating his royalties from this book to two service charities: Dick Taylor joined the British Army as a Junior Leader in 1976, and served as a tank crewman and commander in the 3rd, 2nd and 1st Royal Tank Regiments, reaching the rank of Warrant Officer Class One. He has served in many countries worldwide, including in Australia, Canada, USA, Egypt, India, Malaysia and South Africa. He has served operationally in Northern Ireland, Cyprus, Bosnia and Croatia, Macedonia, Kuwait and Iraq, as well as in Kosovo where he was awarded the Queens Commendation for Valuable Service. He was commissioned in 2000, and his specialties have included tank gunnery instruction, Chemical, Biological, Radiological...

Reviews

It is an awesome publication which i actually have ever read through. it had been written really properly and valuable. I found out this book from my i and dad recommended this pdf to discover.

-- Doyle Schmeler

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
