Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.An inspiring and insightful guide to solving your problems or changing your life by using the creative powers you already have, the Power of Self. The key to unlocking your creative power is to know the self, including its origin and components. Achieving Self-mastery has been an enigmatic quest for humankind for eons. Yet, a few masters have solved the riddle and completed the path to enlightenment. The Power of Self outlines the secrets and principles that these masters have taught about the human mind. The author guides and inspires, making it easy to see how to unlock the infinite potential of your real Self. We gradually throw out what colors our perception, and one day we will see the light entering the mind without having it colored at all. The key is to empty your mind of the elements in the human kaleidoscope that block the flow of light from your higher Self....
