Summary: Author Patrick Craig continues the story of Jenny Springer, the child rescued in A Quilt for Jenna with a story of reconciliation and healing. Jenny Springer is the local historian for the Amish community in Apple Creek, Ohio. As a child, Jenny was rescued from a terrible snowstorm, and when no trace of her parents could be found, the Springer family adopted her. Since then she has had a burning desire in her heart to find out who she really is. When a drifter, John Hershberger, comes to town looking for his own roots, Jenny gets serious in her search for her long-lost parents. As she opens doors to her past, she finds the truly surprising answer to her deepest questions. And as John discovers the story of his own heritage, his growing love for Jenny causes him to reexamine his lifelong atheism. In doing so he discovers his need for a real home, a family, and a relationship with God. Book 2 in the Apple Creek Dreams series.
