By Deborah Chancellor

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Animal Migration: Level 13, Deborah Chancellor, Collins Arabic Big Cat is a guided reading series for ages 3 to 11. The series is structured with reference to the learning progression of Arabic at nursery and primary schools researched especially for Collins. This carefully graded approach allows children to build up their reading knowledge of Arabic step by step. Level 13 books feature longer and more complex sentence structures. Sentences make use of a wide range of stylistic features which reflect progression in the teaching of Arabic grammar. Stories may also contain more literary, metaphorical language, including similes and other figurative language to help the reader create mental images, plus exaggeration for dramatic or humorous effect. Non-fiction titles contain longer, more formal sentences and a broader range of unfamiliar terms. Have you ever been amazed at how far animals migrate each year? Have you ever wondered why animals migrate for such long distances? Find out all about the journeys animals make in the sea, in the air and on land in this fascinating non-fiction information book, brought to life with stunning photographs.
