HarperCollins. Paperback. Book Condition: New. Paperback. 288 pages. Dimensions: 7.5in. x 5.1in. x 0.7in. You couldnt really tell about Mamas brain just from looking at her, but it was obvious as soon as she spoke. She had a high voice, like a little girls, and she only knew 23 words. I know this for a fact, because we kept a list of the things Mama said tacked to the inside of the kitchen cabinet. Most of the words were common ones, like good and more and hot, but there was one word only my mother said: soof. Although she lives an unconventional lifestyle with her mentally disabled mother and their doting neighbour, Bernadette, Heidi has a lucky streak that has a way of pointing her in the right direction. When a mysterious word in her mothers vocabulary begins to haunt her, Heidis thirst for the truth leads her on a cross-country journey in search of the secrets of her past. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
