AK Press, United Kingdom, 2004. Paperback. Book Condition: New. Tim Maloney (illustrator). 274 x 213 mm. Language: English . Brand New Book. Saying the right thing during an encounter with the police can mean the difference between going home and going to jail. Beat the Heat gives you a set of easy-to-remember legal tactics for protecting yourself and the people you care about. Written by a criminal defense attorney, this illustrated street law manual teaches you exactly: what to say if you're pulled over how to read a search warrant what you should know about undercover cops how to handle police questioning what to tell the judge to get your bail reduced how to get the best work out of your lawyer Reading this book is like getting a one-on-one coaching session with your lawyer. It's written in plain English and comes with sample documents (including warrants and subpoenas), so you can learn how to deal with them before trouble comes at your door. There are special sections for minors and non-U.S. citizens, as well as a chapter on suing the police. The best part is the numerous cartoon sequences, which demonstrate how cops manipulate people they're questioning or searching and what techniques you need to win this game. This is a book that every American should read before they find themselves in an encounter with a law enforcement agent. Such knowledge can cut back on lawyer fees, possibly reduce jail time, and can help one be an active participant in one's legal situation rather than sitting on the sidelines in a cloud of confusion during this stressful time.
