Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Vertical Gardening - A Beginners Guide To Growing Your Own Vertical Garden Although not a new concept, vertical gardening is becoming increasingly popular, especially in large cities where space for a conventional garden is often not available. A vertical garden (or garden wall) is an activity in which a person grows their garden either up a wall, a structure attached to a wall or a separate self-supporting structure. The main aim of this way of gardening is to save on space. My aim with this eBook is to help you to establish your vertical garden. We will discuss how to set it up, which structures work best, which plants you should select to grow in the garden, how to care for the plants once the garden is up and running amongst other things. At the end of the book, there is a great list of sites you can visit on the internet for more information. I really hope you enjoy reading this eBook. Take your time, there will be plenty of information to get through, but at the...
