C. with Romes 7th Legion as Julius Caesar invades Britain. But Caesar has not before encountered the Fomori, a dominion of wicked creatures which wage war against the human inhabitants and dominate much of Britain. Armed with his god-made spear, Guiamo joins with the tribal kings against their Fomori foe when Caesar departs. Combining legitimate legends with actual historical events, Marshall Best weaves an epic story that portrays the ancient world as it might have been, a world which the ancient historians recorded as fact; a time when gods ruled the earth and strange creatures dominated the land. It is the era of civilized conquerors exploring distant and primitive new lands. Scant recordings left to us today only touch on the fringe of the fantastic and brutal reality that existed in those distant lands of the west. Into this age, young Guiamo enters the world stage as the great game-changer, and by his hand the gods and beasts become destined to disappear into myth and legend. This item ships from La Vergne, TN. Paperback.
