Jungle Warfare provides a field manual for the Christian in sales: a guide for certain victory in uncertain times. Could a WWII Basic Field Manual on Jungle Warfare have any words of wisdom for sales and business professionals today? Yes - and it may even provide more. Christopher A. Cunningham has taken a prized family gift: his grandfather's Jungle Warfare manual, and adapted its rules of engagement to fit the basic needs of the Christian sales person who is on the front lines of business every day. The parallels are obvious: Stay fit. Keep your wits about you. Know your enemy. Serve your leader well. In today's unsure business climate, those who find a way to keep their faith intact while pushing through the difficulties of market downturns are the ones who will be rewarded. This book is about fighting the good fight and finding inspiration even while crawling through enemy territory.
