A Crack in the Earth

By Haim Watzman

Argo-Navis. Paperback. Book Condition: New. Paperback. 208 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. The Jordan Rift Valley, stretching from the Red Sea to Lebanon, was ripped open millions of years ago by vast forces within the earth. This geological object has also been a part of human history ever since early humans used it as a path in their journey out of Africa. And for a quarter of a century it has been part of the biography of Israeli writer Haim Watzman. In the autumn of 2004, as his country was riven by a fierce debate over its borders, Watzman took a two-week journey up the valley. Along the way he met scientists who try to understand the rift through the evidence lying on its surfacean archaeologist who reconstructs the fallen altars of a long-forgotten people, a zoologist whose study of bird societies has produced a theory of why organisms cooperate, and a geologist who thinks that the valley will some day be an ocean. He encountered people whose life and work on the shores of the Dead Sea and Jordan River have led them to dream of paradise and to seem to build Gardens of Eden on eartha booster...
